

## Confirmation Supervision

The supervising parent needs to watch over all confirmation students that are not in class with the Pastor.

Arrive at the church before 2:45 pm to be there before the students and to set out the snacks for that afternoon. The bus from the high school will drop them off just before 3:00 pm.

Class time: 7<sup>th</sup> and 8<sup>th</sup> grade together from 3:15-4:00pm

Stay until all students have been picked up or leave to walk home (unless Pastor says that you may go) which should be by 4:15 pm.

Snacks: Limit how much each student takes so that everyone will have something to eat when they get there. They can have all the water they want to drink.

They need to stay at the tables in the Fellowship Hall to eat their snacks. They need to sit at the table while eating. They need to clean up after themselves, throw away paper products, wipe up any spills or messes, and set any item that needs to be washed in the sink. Parent volunteers may have the students wash those items or do it themselves.

When waiting for class: Students can sit, visit, and relax in the Fellowship Hall. They should walk when in church. They can do homework if they have some to do. They may play board games that are available in the Sunday School storage room. Keep voices at a normal conversational level rather than being loud. They can use their cellphones when not in class, but when with Pastor the phones should be shut off.

Furniture in the church: All the chairs and sofas in the church need to be treated with respect. They can sleep or nap at home since they are not here for hours. Special note: the furniture in the gathering room outside of Pastor and Secretary's office should not be used. There are plenty of chairs and tables in the Fellowship Hall that can be sat on and used for working at.

Notebook of students' parents' phone numbers: The registration forms for the students will be in a folder located in the kitchen. You may contact a parent if the student becomes sick or unruly and needs to be sent home.
